Dear Mr. Bruno:

SUBJECT: Millianigan Water Supply - Cass County

We have received additional information from your attorney, dated July 20, 2009, and August 4, 2009, regarding the Millianigan water supply (Millianigan). This additional information shows the number of year-round Millianigan service connections as less than 15. Based on this information and our policy WB-013 *Classification of Public Water Supplies* (copy enclosed), we agree that Millianigan should retain the classification as a Type III Water Supply. The Van Buren Cass District Health Department has jurisdiction of Type III water supplies.

We hereby withdraw our claim that Millianigan is a Type I Community Water Supply, and wish to rescind our June 9, 2009, Violation Notice Letter. Please disregard all deadlines and dates referenced in that Notice Letter.

Thank you for your timely response to this matter.

Sincerely,

Gary A. Wozniak, P.E., District Engineer
