Prior to this meeting the pros and cons of building a good safe beach and swimming area have been discussed. Since none of us were qualified beach experts, it was decided to consult one. Jim Fredlake contacted and introduced Dale Hakes to this meeting.

He was very informative and knowledgeable. He said he would build the kind of beach and swimming area we want for \$1,250. We would provide the sand for which Jim has obtained a bid of \$500, making the total cost \$1,750. Mr. Hawkes provided us with pictures of previous work he has done over the past 25 years and the equipment he uses.

A motion was made by Dolly Ghyselinck and seconded by Arlene Francis to hire Mr. Hawkes. It was carried by a vote of 10 yes and 2 no.

Mr. Hawkes assured us he would be starting immediately and hopefully everything would be completed by the July 4th holiday.

Meeting was adjourned at 11:05 a.m.

Respectively submitted,
